### Godminster – Somerset

Where Cheddars are concerned, the multi-award winning Godminster is a modern classic.

The flagship cheese marries a delicious rich flavour with a smooth creaminess, lasting long on the palate but remaining demandingly moreish

### Perl Las – West Wales

Perl Las, meaning 'blue pearl' is made by Carwyn Adams of Caws Cenarth, near Cardigan, in the heart of West Wales. It's a superb Welsh Blue cheese, golden in colour, with a creamy, gently salty taste that grows stronger with maturity.

### Stinking Bishop – Wales

**Stinking Bishop** is an award-winning, washed-rind cheese produced since 1994 by Charles Martell and Son at Hunts Court Farm, Dymock, Gloucestershire, in the south west of England. It is made from the milk of Gloucester cattle, which originally consisted of only 68 Gloucester breed heifers.
